REASONS TO RUN FOR THIS PORTFOLIO

I am running for the post of Welfare Director as I hope to be given the chance to care for the welfare of all HSS students. It gives me a sense of pleasure to see the welfare of HSS students being well taken care of, especially during the exam periods. I believe that my experience in logistics related matters would provide a firm foundation for me to organize career fairs and other events to better the well being of all HSS students. Furthermore, by holding a committee position in HSS Club, I hope to be able to observe and learn from its working processes and to contribute to HSS.

WHY YOU SHOULD VOTE FOR ME?

I have the passion and the experience to care for the welfare of all HSS students. As a personal assistant and a logistics clerk during my National Service, I have gained valuable experience through assisting in arranging for food catering and in the organization of events. I am open to suggestions and I am here to make a difference. You should vote for me as I hope to be given the opportunity to bring you through a year of welfare as never seen before. Let us move forward together!
