REASONS TO RUN FOR THIS PORTFOLIO

I have contributed to NTU and HSS committees for the past two years and am confident of my capability to take up a leadership role in the HSS management committee.

The committee will be a new platform for me to inspire the HSS family and inject fresh ideas into enhancing our HSS experience. The role of Vice-President will also put me in a better position to improve the HSS work-life environment.

It will be my priority to promote student involvement in HSS events, uphold the HSS reputation and increase student participation in subsequent HSS management committee elections.

2006 – Present	HSS	Student Ambassador

WHY YOU SHOULD VOTE FOR ME?

Based on my past ECA records, I believe I have a wealth of knowledge and experience to share with the management committee. I may be new but the skills acquired previously can be easily transferred to my new role as Vice-President. It is my ambition to utilize this expertise to foster a HSS experience that will allow our students to gain a competitive advantage over their peers in society.

As a student ambassador I possess a sense of love and pride for my school by promoting HSS programmes. Together with the management committee, I hope to spread this sense of belonging to my fellow students so that their experience in HSS will not only be memorable but also stimulating.

As such, I seek your vote in granting me the opportunity to be in your service.

For School and For You.
