REASONS TO RUN FOR THIS PORTFOLIO

I have a strong desire to serve to the well-being of HSS Club and our student population, and I hope to do so by contributing my past experiences and leadership capabilities so as to excel in my responsibilities as a Business Manager. Being the Union Representative for HSS Club in the past year has not only enriched my academic life, but also made me value the importance of diversity and teamwork amongst my fellow HSS committee and subcommittee members. What I have taken away as my previous life experiences in the past year, I hope to contribute more back to HSS club in the 5th Main Committee. I believe in making HSS Club as strong as the other academic clubs, and strive to impart a sense of belonging to the students.

WHY YOU SHOULD VOTE FOR ME?

Passion drives excellence. To excel in one's responsibilities, one must have the passion and motivation to perform them well. Self-initiated and PASSIONATE, I am not afraid to take the extra mile in performing my duties and responsibilities to the expectation of my fellow committee members and my faculty mates. Having the prior experience as a Business Manager and Liaison Executive, my role as a HSS Club Business Manager will be facilitated by my ability to efficiently liaise with events companies and secure sponsorship. And, the driving factor for me to outrival other societies would be in assuring heavier goodie bags and superior exam welfare packages for all HSS students! So, for the betterment of HSS in 2008 and 2009, please, vote for me to be your next sincere and humble Business Manager! ☺☺
