REASONS TO RUN FOR THIS PORTFOLIO

I have spent a year with the HSS Club 4th Management Committee and I am keen to continue my contribution to the school and club. After a year as Social Director of the club, I would like to learn more in the actual facilitation of the club and take a step up from organizing events. As Honorary General Secretary, I would be able to use my prior experience to advise the new department heads in the organization of events as well as to ensure the smooth running of meetings and club affairs. A year as Social Director has allowed me to learn and experience so much. Now, I really look forward to the new challenges I might face in the future and all the wonderful experiences that would come with being the Honorary General Secretary.

WHY YOU SHOULD VOTE FOR ME?

With reference to my past experience with the club and other roles in my previous ECAs/CCAs, I feel I possess the necessary experience, capability and drive to be the next Honorary General Secretary of the club. I am familiar with the day to day running of the club after a year's work in my current post as Social Director and I still possess the same ambitions as I did a year ago. That is to fulfill the vision of the club and foster closer bonding among the divisions in the school. This year we have welcomed a new division into our midst and as the school grows, HSS Club will too. I sincerely hope that I will be given a chance to serve the school and club again and hence, grow and improve as a person using all the experiences and advice I have gotten. The members of the 3rd Management Committee who have chosen to stand for elections again previously for the 4th Committee had shown that they indeed do possess the passion and zest to continue their contributions, I hope to continue this act of passing on the baton to the new members of the 5th Management Committee and with them, improve the club and hence make HSS Club an organization we can all be proud of.
