REASONS TO RUN FOR THIS PORTFOLIO

Firstly, I want to use the opportunity to know more people and make friends with the group of you who are on the ‘same frequency’ as I!

Secondly, I have taken part in planning many small events and occasions and have since developed a passion for it. However, these events were on the smaller side and I am itching to plan and execute sensational events that could sweep many people off their feets! Also, I would like to let more people to know more and understand about HSS, create and carry on traditions so that HSS-ians would feel belonged to HSS!

Thirdly, I really like to mingle, make friends, laugh a lot and have a good time! I may seem rather quiet but hey, do not judge a book by its cover – I am really a crazy girl at heart. As the name suggests, “Social Director” means more socializing, get to know more people and plan activities that could cater to everyone and I believe that with a chance to play such a role, it could bring out the ultimate best in me!

RELEVANT PAST ECA RECORDS

My most recent designations are section leader and creative director in band. With my experience as a creative director and a member in the executive committee, I believe that I have equipped myself with skills that would be useful for me to play the role of an Asst Social Director. I have been part of the team to plan the band dinner, CCA open house, band tune-in to name a few.

As a section leader, I have learnt that as one lead, one should always remember the welfare of your team and to incorporate fun into your work. I believe that this ‘theory’ that I am living on would make me a enjoyable person to communicate to and work together in having an ideal HSS committee!

WHY YOU SHOULD VOTE FOR ME?

Simply because:

- I may not give you the BEST event in the world, but with the team, I PROMISE to bring you the most IDEAL event that you will experience.
- **Of three words: Fun-Loving, Enthusiastic, Determined.**
