#### REASONS TO RUN FOR THIS PORTFOLIO

There's nothing more fulfilling than the act of giving. I've believe in being pro-active and letting my voice be heard rather than keeping to myself. Despite being a freshie, newbie or whatever you want to call us year 1s, I feel that I have what it takes to lead and contribute to the committee and the club. I hope my previous experiences in leading a team and organising events would put me in good stead for this election. That aside, I'm certain that being in the main committee would provide me with the opportunity to work in a diverse environment. It would surely make my first year in NTU a fulfilling and enjoyable one.
