REASONS TO RUN FOR THIS PORTFOLIO

I have chosen to run for this portfolio as I wish to continue contributing my services to the HSS club. I strongly believe that I will head the publications team efficiently as I possess the prior experience to manage a newsletter. Most importantly, I enjoy writing! This means I'd be passionate about what I do and a happy worker = efficient worker. (:

RELEVANT PAST ECA RECORDS

- School Newsletter Editor (2004)
- Student Council (2002-2004)
- HSS Social Subcommittee President (2007)
- HSS Freshmen Orientation Camp Group Leader (2008)

WHY YOU SHOULD VOTE FOR ME?

My previous stint as an Editor taught me much about the nitty-gritty process in running a newsletter, from the tedious template planning to the research and writing of articles. As a passionate writer and dedicated individual, I will go all out to create a vibrant newsletter fitting of the unique and dynamic HSS spirit in a "technological" university! I have enjoyed serving the HSS social subcommittee last year and would like another opportunity to continue serving you. I have the experience, the passion and I earnestly beseech you to vote for me. Please vote for me, and be assured that I am definitely the Best Choice that there is. Thank you for your support! (:
