**NAME: LEE WAN XIN**

**COURSE / YEAR: CHINESE YEAR 3**

**HALL OF RESIDENCE (IF APPLICABLE) HALL 14**

**EMAIL ADDRESS: angela\_wx@hotmail.com**

#### **REASONS TO RUN FOR THIS PORTFOLIO**

I enjoy spending time on ECAs rather than just studying alone. It helps me to understand my strengths, enhance my soft skills, as well as extend my human networking. I have been in the management committee of many clubs and special projects in the past years, and the publicity portfolio has been in the list for all these years. I would like to try out new things such as event planning and management, where I believe I could do so by taking up the social portfolio. With my experience in working with so many management committees and enthusiasm, I believe I can help to bring HSS club to greater heights.

#### **WHY YOU SHOULD VOTE FOR ME?**

I understand the social portfolio quite well in terms of its job scope through the experience that I've gain when I was in the management committee of various clubs. Although I have not taken any social portfolio for any of the clubs that I've joined, I do have some experience in event planning.

When I was the English Society President, I did organize and plan some big scaled projects such as English week that involves the participation of the whole school. I was also involved in some event planning and management job when I was with MENSA. Besides, being a Hall Coordinator of hall 9 and also a Chief Hall Coordinator of MSA, I have planned events to bond Malaysians together through different events. These are some of the experiences I have that I believe could help me take on the social portfolio.

I will do my best, and in fact bring out new events that I have in mind if I am successful in the coming election. So please vote for me!
