

School of Art, Design & Media (NTU)

Informal internship application
Updated 23 November 2020

Students: *If this is for credited internship, please bring company into the internship programme as a self-source option upon successful placement. If this is for self-enrichment, the school **will not** intervene and the agreement will be strictly between you and the organization. Please read carefully before committing.*

Name of company:

Impact Advisors

Estimated number of employees:

Currently, this is a pilot project and the collaborators are exploring an opportunity to create social well-being.

Internship / Freelance work title

Impact Advisors is looking for an “illustration” artist. The ability to convey words/data into a “pictorial representation”.

About the company and no. of intern(s)

Impact Advisors is currently a think-tank project aiming to collaborate with women entrepreneurs to build economic empowerment and create a sustainable impact through business or actions of social engagement.

Impact Advisors is a collaborative effort of senior industry professionals with an individual work experience of a minimum 24years across Finance, Consumer Marketing, Energy and Fuel, Shipping and Telecom.

The intern will be cerebrally challenged and the collaborators are looking forward to be challenged.
