Internship / Freelance work title

Graphic / Product Designer Intern

Internship program for Japanese Jewellery brands in Tokyo and Singapore.
Jewellery design, graphic design, web design, branding, marketing, retailing, and Social media & communications.

About the company and no. of intern(s)

We are Fujimori & Kajita, two Japanese Jewellery brands established in 1970 (Fujimori) & 1920 (Kajita) from Tokyo. Our collaboration to expand our brands in Singapore market begin in 2013. Both of us are specialist of Fine Jewellery with color stones and original designs. While our headquarters are situated at Tokyo, Japan, we opened our first shop at Takashimaya, Singapore on 17 January 2019.

We would like to introduce our brand to a maximum number of one intern for NTU internship 2021. This will be a good opportunity for NTU students who are interested to explore working with a foreign company, experience a different working culture and be expose to the niche fine jewellery industry for graphic and craft experience.

We are currently working on opening a new workshop, introducing the craft of jewellery making in Singapore. The new intern would be required to work in both the workshop as well as the Takashimaya counter, henceforth getting the first hand experience of retail, graphic design for a new brand as well as the backend jewellery making process.
