

Social Media Writer – Internship

Block Meister is an intelligent Art platform that helps art collectors find and appreciate digital art registered in the blockchain. The platform is currently in development, with a launch scheduled in June 2022.

We are currently looking for an intern to support our community building efforts. Start Date is ASAP.

The role will suit a student who has a keen interest in art and an understanding of writing or producing content for social media channels.

Important: Excellent command of written English is a must-have.

The role is 100% remote.

Job Description

- Report to CEO (Singapore) and Content/Community Lead (NYC).
- Produce content for our social media channels: Facebook, Twitter, Instagram, Blog, Linked-in, Discord based on our editorial calendar.
- Post content on a regular basis.
- Interact with the community on Discord.
- Escalate community replies when necessary.
- Focus is on copywriting, creating and curating written content not video or animation.
- Duration: 1 to 3 months.
- Location: remote.
- Compensation: Stipend available.

To apply, send an email to explain why you would be a good fit with examples of written work to joel.cere@blockmeister.com
