

The United Nations has assigned [World Water Day](#) to be held annually on 22 March, and the theme for this year is "*Leaving No One Behind*". Today, billions of people worldwide are still living without safe water for reasons such as nationality, economic and social status, and climate change.

Earlier this month, Singapore President Halimah Yacob kick-started the month-long campaign "[Make Every Drop Count](#)" in support of [Singapore World Water Day 2019](#). We are fortunate to have constant clean and drinkable water from the tap, but we should not take this for granted. [Pledge your commitment to save water](#) and [#GoBlue4SG](#).

Be informed. Be inspired. Be the change.

ARTICLES & UPDATES

Families live on 5 litres of water at overnight camp

22 people signed up for an overnight camp, held at Kallang basin in Marina Reservoir, to learn about water conservation. Participants were allowed five litres of water for 12 hours and had to use a ration card. Read [more...](#)

Saving water less of a concern for younger residents

A focus group study revealed that younger participants perceived water scarcity as "a distant concept" due to the ready availability of water in Singapore. In 2017, each person here used 143 litres daily. Read [more...](#)

Redemption in quenching others' thirst

In his 20s, Scott Harrison worked as a nightclub promoter in New York. But a volunteering trip to Africa prompted him to start "charity: water", a non-profit organisation that provides clean water to millions in developing countries. Read [more...](#)

Students on a mission to cut bottled-water consumption

Four NTU students embarked on a final year project campaign, that aims to encourage Singaporeans to drink tap water instead of bottled water, so to reduce plastic waste in the long haul. Read [more...](#)

Student Community Engagement aims to empower students to make a difference through positive social actions. We believe that young people have a critical role to play in building a better world for themselves and the community.

We provide students access to opportunities such as grants for their ground-up initiatives and social entrepreneurship efforts, internships at non-profit organisations, and training programmes to develop community leadership skills.
