# Research Data Management Services

Data Curation Service

Are you interested in depositing your research data on DR-NTU (Data), the NTU open access research data repository?

We offer advice on metadata, file organisation, file uploads, data documentation, data citation, etc.

Visit DR-NTU (Data) at
researchdata.ntu.edu.sg

Monthly DMP Writing Workshops

Following the launch of the NTU Research Data Policy and NTU Data Management Plan tool on 14 April 2016, the Library has been conducting monthly DMP writing workshops for the NTU research community using the NTU DMP template.
