Recognition

- Awards Koh Boon Hwee Scholars Honoured Faculty Award, 2019. A university-wide award in recognition of inspirational teaching and the impact teachers have on their students.
- Students' comments Students describe me as a "knowledgeable, systematic, patient, and approachable teacher" who encourages active learning. They appreciate my ability to "show interest and passion while lecturing," and they commend the "clarity and well-designed materials" I provide. I am noted for being "very sensitive to students' needs" and for my skill in "translating complex mathematical logic to simple terms very effectively." Additionally, students value how I "engage by bringing in real-life examples" and "encourage interactive learning and discussion." This positive feedback underlines my commitment to fostering an inclusive and dynamic educational environment.
